

Hello Again,

It was an honor to present important preparedness and compliance information to you a couple of weeks ago at FSA's Emergency Preparedness Workshop.

As a follow-up, I would like to share two versions of an article that I co-authored on Armed Intruder / Active Shooter Awareness that came out this week in both **McKnights LTC News** and **McKnights Senior Living**. One focuses on this peril in a senior living community while the other is targeted towards LTC facilities like skilled nursing homes.

- **McKnights LTCN:**

<https://www.mcknights.com/blogs/guest-columns/armed-intruder-and-active-shooter-preparedness-in-ltc-facilities/>

- **McKnights Senior Living:**

<https://www.mcknightsseniorliving.com/home/columns/guest-columns/preparing-for-the-unthinkable-an-armed-intruder-or-active-shooter-in-a-senior-living-community/>

Please contact me directly if I can ever be of assistance to your company or organization. Our curriculum can also be presented in a virtual format, if so desired.....Stan
