

Attention PEER/RL6 USERS

PEER will be unavailable/shutdown on the following date:
_____ while we undergo an important update.

Beginning at: ____ EDT through approximately ____ EDT

During this time, **PEER will NOT BE accessible** for any purposes including new event submission, follow-up actions or running of reports.

Please follow our process for documenting events when the PEER system is down and use the paper/hard copy event form.

Your Risk Manager, _____ has the form available.

On _____ at about ____ EDT, all functionality should be up and running in PEER with your updated version!

Thank you for your patience during this update.
